Course Title: Developing Leadership Skills

Accreditation Information:

Accredited through Open College Network. Level 2, 10 hours, 1 credit.

Who is the course for?

This course is aimed at groups of young people who are (or will be) involved in leading others. This may be through leading a project or leading on making decisions (such as grantmaking, budget allocation or commissioning of services). They may be young Trustees, members of youth forum assembly or parliament or other such youth group. The course focuses on developing leadership skills rather than the skills specific to their role but will encourage the learners to think about their particular leadership role and will be tailored to meet their group needs.

Learning Objectives:

By the end of the course the learners will:

1. Understand the key characteristics of an effective leader.
2. Understand the skills involved in being an effective leader.
3. Use Leadership Skills

Assessment Information:

Learning will be evidenced through involvement in group activities and discussions, completing a worksheet and photograph based portfolio by learners and observations from supporting workers. Handouts will also be provided. Individual support and learning needs will be discussed in advance.

Additional Information:

To fulfil the 10 hour OCN requirement, groups will need to complete a 3 hour preparation session before the date of the training and provide evidence of individual young people's contribution to this through worker observations and copies of work produced.

The organisation booking the training will need to provide 2 workers to support the young people and this may need to increase if young people have specific learning support needs.

Course fees:

The total cost of the course to be delivered over 1 day to 12 young people is £1520 plus vat. This includes all OCN registration and certification fees, delivery by a YBUK Development Officer and an experienced young trainer (or other member of YouthBank UK training team). Please note this course is not suitable for numbers above 12.

The course fee will be reduced by 10% to £1368 plus VAT if a group is a licensed YouthBank and a member of the YouthBank UK network.
