

# YouthBank UK Training and Consultancy

## Course Information Sheet

**Course Title:**

Introduction to Young People's Grantmaking

**Accreditation Information:**

Accredited through Open College Network. Level 2, 10 hours, 1 credit.

**Who is the course for?**

This course is aimed at groups of young people who are (or will be) involved in grantmaking in their community. It provides useful skills and knowledge to enable them to plan what they need to put in place to get their grantmaking panel running, decide their criteria and explore ways of making decisions.

**Learning Objectives:**

By the end of the course the learners will:

1. Understand the aims and functions of a young people's grant making project.
2. Understand the roles and skills required of a young grant maker.

**Assessment Information:**

Learning will be evidenced through involvement in group activities and discussions, recording in a workbook, producing photographs and observations from supporting workers.

**Additional Information:**

To fulfil the 10 hour OCN requirement, groups will need to complete a 3 hour preparation session before the date of the training and provide evidence of individual young people's contribution to this through worker observations and copies of work produced.

The organisation booking the training will need to provide 2 workers to support the young people and this may need to increase if young people have specific learning support needs.

**Course fees:**

The total cost of the course to be delivered over 1 day to 12 young people is £1295 plus VAT. This includes all OCN registration and certification fees, delivery by a YBUK Development Officer and young trainer and the provision of a YBUK Toolkit and Evaluation Toolkit. Extra young people will be charged at £75 per head and there may need to be a further Development Officer to aid delivery if numbers significantly increase above 12.

The course fee will be reduced by 10% if a group is a licensed YouthBank and a member of the YouthBank UK network.
